

Penn State College of Agricultural Sciences research, extension, and resident education programs are funded in part by Pennsylvania counties, the Commonwealth of Pennsylvania, and the U.S. Department of Agriculture.

Penn State encourages persons with disabilities to participate in its programs and activities. If you anticipate needing special accommodations or have questions about the physical access provided, please contact Norm Conrad at 570-966-8194 in advance of your participation or visit.

This publication is available in alternative media upon request.

The Pennsylvania State University is committed to the policy that all persons shall have equal access to programs, facilities, admission, and employment without regard to personal characteristics not related to ability, performance, or qualifications as determined by University policy or by state or federal authorities. It is the policy of the University to maintain an academic and work environment free of discrimination, including harassment. The Pennsylvania State University prohibits discrimination and harassment against any person because of age, ancestry, color, disability or handicap, national origin, race, religious creed, sex, sexual orientation, or veteran status. Discrimination or harassment against faculty, staff, or students will not be tolerated at The Pennsylvania State University. Direct all inquiries regarding the nondiscrimination policy to the Affirmative Action Director, The Pennsylvania State University, 328 Boucke Building, University Park, PA 16802-5901; Tel 814-865-4700/V, 814-863-1150/TTY.

ABOUT OUR INSTRUCTORS

Lauri Danko is a landscape designer, MAEscapes Partner & Advisory Board Member and Cumberland County Master Gardener.

Jacquelyn Doyle has been in the horticulture field for over forty years. In the past twenty four years, she has owned and operated Doyle Farm Nursery. At this time, she is taking time off to work on the restoration of Doyle Farm's ten acres.

Tim Falkenstein has a broad professional and educational background in native and exotic plants in the piedmont physiographic region. He has extensive experience in wetland plant ID and ecology, hydric soil identification, and interpretation of wetland hydrologic indicators.

Joy Howell is a naturalist of 25 years, MAEscapes Board Member and is a York County Master Gardener Apprentice.

Julianne Schieffer is the Penn State School of Forest Resources Extension Urban Forester in Montgomery County.

Linda Silverman is a MAEscapes Board Member and York County Master Gardener.

Tom Smith is the York County West Nile Virus Program Administrator, President of York Audubon Society and a York County Master Gardener.

2011 Classes

PENNSTATE

an **OUTREACH** Program of the College of Agricultural Sciences, and York County Cooperative Extension

MAEscapes Classes—2011

Creating a Rain Garden

Instructor: Tom Smith

Date: April 13, 2011

Time: 6:00-8:00 pm

Location: County Annex, 112 Pleasant Acres Rd., York, PA 17402

Program description: Rain gardens are the easiest way to eliminate stormwater concerns around your home and help the environment. Learn the basics of rain garden design and using native plants to attract pollinators.

Pruning & Trimming Native Shrubs

Instructors: Julianne Schieffer

Date: June 15, 2011

Time: 6:00 pm to 8:00 pm

Location: County Annex, 112 Pleasant Acres Rd., York, PA 17402

Program description: Learn the fundamentals of pruning trees and shrubs in the landscape. When done correctly, pruning can revitalize shrubs and make your landscape more attractive.

What's the Big Deal About Invasive Plants?

Instructors: Lauri Danko & Joy Howell

Date: July 12, 2011

Time: 6:00-8:00 pm

Location: County Annex, 112 Pleasant Acres Rd., York, PA 17402

Program description: Join us for a fun evening as we identify many invasive species and discover that some were introduced as a highway crash barrier! One was accidentally brought to the US when the seeds were used as packing material. This is an opportunity to observe the influences invasives have on our garden plants and natural areas. We will carpool to a neighboring park.

Wetland Wonders and Ecology

Instructor: Tim Falkenstein

Date: August 16, 2011

Time: 6:00 to 8:00 pm

Location: 3325 Overview Drive, York, PA

Program description: Includes an onsite visit to a Wetland. We will discuss the ecology and the importance of wetland habitats. Participants will get muddy, so old clothes and boots are recommended.

Native Grasses and Planting a Meadow

Instructor: Linda Silverman

Date: September 14, 2011

Time: 6:00pm to 8:00 pm.

Location: County Annex, 112 Pleasant Acres Rd., York, PA 17402

Program description: Native grasses and meadows are a great alternative to lawn. Learn about some great plants and techniques for planting them.

The Dos and Don'ts of Fall Gardening

Instructor: Jacquelyn Doyle

Date: October 18, 2011

Time: 6:00pm to 8:00 pm.

Location: County Annex, 112 Pleasant Acres Rd., York, PA 17402

Program description: Learn why fall is the best time for planting native plants. When to cut them back and when not. Seed collecting and propagation will be included.
